Hidden Heroes

Get involved with this brand new program to YSB, connecting youth in the community to caring adults who want to promote success!

- Adults (Hidden Heroes) are matched with youth for the school year.
- Each month, Hidden Heroes are asked to send their youth something uplifting in the mail. ex: a poem, quote, letter, motivating tale.
- Adults may request a youth match or be paired randomly
- Hidden Heroes receive a letter confirming their youth match, meaning parent permission was given & the letter writing may start.
- Adults receive a profile of their youth to get to know them.
- Youth will not know who is sending them mail, only the excitement!
- Background Checks will need to be run for all Hidden Heroes, if not already on file with the Youth Service Bureau.
- In June, YSB will host an ice cream social, so youth can meet their Hidden Hero match who has been writing to them all year!
- Our goal is for youth to feel valued, encouraged and supported throughout the school year. Hidden Heroes have the ability to make a huge difference in the life of a young person!
