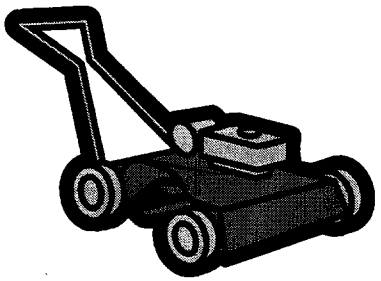
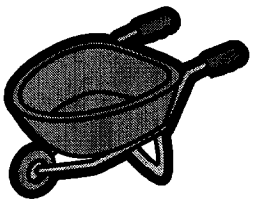
Attention Seniors: Need Help?





Youth Service Bureau's Job Connection Program Seeks Seniors Ages 60 and Over

Youth ages 12-15 are eager to help their senior neighbors! The Youth Service Bureau is looking for seniors interested in hiring youth to help with their home/apartment chores and/or yard work. Seniors must live in the City of Forest Lake, be willing to work with youth, and negotiate wages with youth. If you are interested in registering for services or have further questions, please call the Youth Service Bureau.

Help a youth bloom!
